## **Rural Living and walking distance to Town**

Set alongside the many walking trails of the Heyfield Wetlands this delightful cottage is the perfect place to call home. The cosy three bedroom cottage features plenty of original feature but now has open plan living areas allowing an abundance of natural light and external views. Manicured lawns, gardens and duck pond is perfect for entertaining or for some animals should you wish. Shedding options are plentiful with a single garage, a double garage with workshop and a further highset carport with storage shed attached. This is a fantastic example of country living within the town. Inspection by Appointment.
