Your Private Hideaway in Sinnamon Park

Imagine coming home to your own slice of paradise in Sinnamon Park, where it feels like you've got no neighbours and the whole world to yourself. Set back from the street with beautiful city views, this home offers the kind of privacy and space that's perfect for families who need room to unwind.

Inside, you've got 4 comfortable bedrooms and 2 bathrooms. The master bedroom, with twin mirrored wardrobes and ceiling fan, opening out to your own little retreat onto the large covered patio and stunning greenery as the backdrop. The other bedrooms are equally inviting, each with built-in wardrobes and plenty of light.

The kitchen is where this home really shines—open, modern, and ready for anything from quick breakfasts to family feasts. You'll love the stone benchtops, stainless steel appliances, and those soft-closing cabinets that make everything feel just right.

But the real magic happens outside. The insulated patio overlooks your above-ground pool and freshly oiled decking that's just waiting for weekend barbecues or quiet morning coffees (read - afternoon wines staring at the city lights). There's even a second patio area surrounded by private gardens, offering another spot to relax or entertain.

Inside, bamboo floorboards and split-system air-conditioning keep things comfortable - although it hardly needs to be used due to the elevated position taking in the afternoon breezes, while Crimsafe security screens, a 7000L water tank, and a 2023 Vulcan Electric hot water system take care of the practical side of things.

The kids will love the swing set and play area out back, and you'll appreciate the well-kept gardens that add a touch of nature and serenity to your everyday life.

This isn't just a house—it's the kind of home where you can see your family growing, playing, and making memories for years to come. If that sounds like what you've been looking for, this might just be the one.
