Treetop Splendour

Awake to a chorus of birdsong with this striking three bedroom two bathroom contemporary residence that sits in an idyllic estate just a short walk to local shopping and trains.

At one with its leafy locale, this home wows with a luminous living room where polished timber floors, soaring ceilings with clerestory windows and extensive glazing framing treetop views combine in a fabulous display of light-filled living that spills to a full-width balcony. Take in the serenity while you live, work and play in a space that offers seamless connection to the outdoors, and cook up a feast in the gourmet kitchen that features stone counters and a full suite of appliances. An easy-care rear garden backing onto the Diamond Creek trails proves an outdoor space to relax and entertain in, while spacious bedroom with robes share two designer bathroom finished in a sophisticated palette of neutral tones, spacious master with an ensuite.

Light capturing form and a generosity of space seldom found in low-maintenance living elevates this chic home that comes complete with ducted heating, split system air-conditioner, ducted vacuum, alarm, garage with internal entry plus off-street parking. A short walk to Diamond Creek trains, shopping and eateries, and family friendly near schools, sporting clubs and parklands this home that sets the standard in modern living proves a welcome haven.
