The Oasis!

37 Reynolds Road, with its amazing renovations, stunning gardens and below ground pool, make the perfect oasis!

The kitchen is enough to make the home chef cry tears of joy, with loads of stone bench space and plenty of storage, complete with soft close draws and cupboards. Stainless steel appliances including a 900mm oven and Miele dishwasher for all the creations. The style of the kitchen is matched by the layout - forming the focal point of the home, opening to an open plan living area with views to the pool area.

To the front of the home is a second living area, ensuring there is ample room for everyone. The master bedroom, located to the front of the home has a large walk-in robe and a renovated ensuite, complete with floor to ceiling tiles and stylish vanity featuring a stone benchtop. The recently renovated second bathroom has a large modern bath, floor to ceiling tiles and vanity giving off a classic Hamptons style.

Outside is a stunning 'WA Plunge Pool' installed in 2021. The pool has an impressive blade fountain feature, giving an elevated feeling and soothing sound to relax to. The pool has all-year-round warmth with a heat pump and the whole area is finished off with stylish outdoor tiling and glass fencing.

A gabled patio transitions seamlessly from the main living area, completing the possibility for year-round entertaining. The outdoor areas are stunning from every corner of the home, and where there aren't beautiful gardens there is neat paving. The carport has plenty of clearance for taller vehicles and this entire package sits behind a secure fence with automatic car and civilian gates.
