If you are looking for a simple, but solid home ready for you to "make your own" - look over here! This well constructed property has all the essentials and some interesting features as well. 3 x good sized bedrooms with aircons, an open plan living / kitchen / dining that could easily be transformed into a modern vibe with a new kitchen fit out & flooring upgrade and an extra large bathroom that currently houses 2 x toilets & 2 x showers - giving you the option to continue with the multiple cubicles or turn the oversized room into an epic family bathroom / laundry / storeroom. Outside is well thought through as well with a lovely big 2 x bay carport, as well as a 2 x bay colourbond shed with lockable roller doors and a ceiling fan for good ventilation. The yard is neat & easy to keep and the neighbors are both quiet & private. Whether you are looking for a quick investment option that you can tidy up, and rent out...or you are wanting to get out of the rental race - this property is a smart choice for any buyer.
