Breathtaking family entertainer in a premium pocket

A rare achievement of space, luxury and modern style embraced by a landscaped swimming pool oasis, this stunning five bedroom, four bathroom family residence is the definition of executive perfection in the prestigious Studley Park precinct near Kew's schools. Elevated in exclusive lifestyle surroundings, a compelling architectural profile introduces a substantial and sophisticated contemporary interior showcasing towering ceilings, expansive glazing and light and airy living zones.

A masterclass in design excellence where a family can indulge the senses in expansive high-end comfort, ground-floor entry reveals a free-flowing series of formal and family areas revolving around an atrium-style courtyard that extends to a breathtaking Miele-appointed marble kitchen boasting a coffee machine and a butler's pantry. A downstairs bedroom or huge study provides flexibility for changing needs and is complemented by a beautiful bathroom and a full-size laundry.

Ducted heating and cooling, security alarm, marble surfaces, polished oak boards and easy-care floor tiles enhance an immersive family experience of year-round enjoyment with a bespoke designer staircase rising to an extensive accommodation level featuring a light-laden lounge/retreat and a family bathroom. Four superb bedrooms (built-in robes) include two main bedrooms with luxurious ensuites, the first with elevated northerly views.

Fringed in high-wall greenery is an outstanding entertainment sanctuary bathing in sunshine that with its alfresco terrace and glistening pool is an idyllic place to share lazy days and balmy nights with family and friends. An unparalleled opportunity where everything is picture perfect, this remarkable home with double garage is desirably situated close to Willsmere Village cafes, High Street shopping, city-bound trams, Yarra River parks and trails, and a selection of elite primary and private schools.
