This split level "Grollo" home is fabulously located on a gently sloping 784 square metre block. The main living area of the home is accessed via a few steps and boasts high cathedral ceilings and ample windows showcasing the rear garden and overlooking the delightful inground pool and paved entertainment area. There is a separate dine-in area adjoining the attractive kitchen that has been refurbished in recent years with sparkling white cabinetry, stone benches and gas cooking. A staircase leads upstairs to a study nook and all three of the bedrooms which feature louvres that attract breezes and provide a wonderful aspect of the leafy surroundings. The master bedroom is generously proportioned. The bathroom is also located on this level and has been renovated in tasteful neutral tones with floor to ceiling tiles and includes a luxurious bathtub. There is a solar hot water system and solar power has also been installed which will save greatly on your power bills. Some other notable features are: Led lights throughout and the garden is fully reticulated. An electric sliding gate to the property ensures that your home is secure and that you can park multiple vehicles in the long driveway. Superbly located, across the road from the Wulagi Primary School and parklands, around the corner from the Leanyer Shopping Centre and the Leanyer Water Park and minutes to other great nearby schools, the Casuarina Shopping Centre, Darwin private and public hospital and Charles Darwin University. This is undoubtedly great family home, in a fabulous location so close to everything that matters.
