\$1150 Per week

This classic, character filled Queenslander has been thoughtfully renovated throughout, incorporating traditional elegance with modern design to offer all the conveniences you would expect. Spread over 2 generous levels this beautifully presented home has it all. Boasting polished timber floors, VJ walls and original pressed metal ceilings on the upper level, the designer kitchen and stunning dining room and lounge room only add to the contemporary style without detracting from the original charm. The huge north facing rear deck offers plenty of entertaining space, a seamless transition between inside and out. The lower level features the fourth and fifth bedrooms, third bathroom and second living /media area with its own kitchenette. Ideal as a teenage retreat or dual living configuration, all flowing out to yet another entertaining terraced area. Situated on a child friendly block, this home is centrally located and is easy walking distance to all major transport (rail & bus) schools, shopping and cafe precinct and parklands. Be quick to inspect this spacious family home in an enviable Sherwood location. Features include:-- 5 bedrooms, 3 bathrooms (incl. ensuite and Walk in Robe)- Designer Kitchen - Polished timber flooring - 2 spacious living areas spread over 2 levels - Spacious study on upper level- Huge rear entertainer's deck - Perfect North/South aspect to capture breezes- Kitchenette downstairs for terrace entertaining- Stunning original front verandah with expansive and private views- Fully fenced yard - 3 car secure accommodation with internal access; workshop area and loads of storage throughout. Tenants are responsible for lawns and gardens. The tenant is responsible for water consumption costs. Gas, electricity and internet tenants responsibility to connect.
