GLEN APLIN VIA STANTHORPE - 5 BED ENTERTAINERS HOUSE W/ DECKS, SPA, MULTIPURPOSE SHED, VIEWS & A FEW BONUSES

Situated in a cul-de-sac and backing onto an seldom used cricket field, this 15032m property is ideally positioned for entertaining.

This expansive home boasts 5 good sized bedrooms (main with ensuite and walk in robe), a large central dining space, recessed lounge / movie room, brand new kitchen, and most notably, a huge undercover deck / outdoor entertainment area with room for multiple lounges and dining sets. This space is amplified with water features, gardens, an artificial lawn for tanning and a jacuzzi hut.

The 9.5 x 9m shed has been cleverly repurposed to include a kitchenette, living area and room as well as still housing at least 4 cars on the other side with a mezzanine level adding even more storage space. An attached car port provides accommodation for another 6 vehicles.

An enclosed yard area at the rear of the house is perfect for pets. The yard opens up to the Village cricket field. Double driveway access.
