Located in a quiet convenient location, this Semi mod 70's home is neat as a pin and set over 2 floors. Ideal for a large extended family that needs some space or a few friends to share, this property has 3 bedrooms upstairs and 3 bedrooms downstairs, 1 bathroom and Toilet on each level, Main kitchen upstairs while downstairs there's a Kitchenette. Upstairs has lovely polished timber floors, separate dining or living areas and Air conditioning in the main bedroom and living area. There's also a front deck to relax on with a cool drink after a long day. While the downstairs bedrooms may have no built-ins, there is a spacious area to be used as family/games area and there's even a lockable studio/workshop or just use it as a home office if you work from home. Plenty of off street parking on the front yard for 3-4 cars. Almost like 2 houses over 2 floors. 12 month lease preferred and Pets to be considered upon application.
