## **TRUE, LOW MAINTENANCE HOME IN REDLYNCH**

Presenting like new, this four bedroom home is located in lower Redlynch only moments stroll from shops, Redlynch Railway Station & of course The Red Beret.

Built only two years ago as part of a 16 lot group title development this highly sought location is second to none in the area. Modern design coupled with clean internal fitout makes these lock & leave homes perfect investment opportunities or family residences. The entire development is as easy-care as possible with cleverly designed small gardens and artificial turf creating a very tidy streetscape.

Comprising four generous bedrooms; master with ensuite, oversize garaging, open plan kitchen, dining, lounge and a good sized undercover rear patio with mountain views to the west, properties like this are few and far between. Interest has been strong already, so do not miss the first inspection or you may be too late. Call Chris or Deb Marsh to confirm your availability for inspection at 11:30 Saturday.
