This two bedroom unit is located at the back of the complex for ultimate privacy, in a quiet area and has been recently renovated. It features a brand new kitchen with electric cooking, updated bathroom with separate toilet and built-in wardrobes in both of the spacious bedrooms, with new blinds throughout. A large living area as soon as you enter through the front door, with gas heating and a split system for year-round comfort. It also offers a single car garage with internal access and an enclosed rear yard. Available to inspect and occupy now pending application approval.
