Be quick to view this great, freshly painted spacious property, ideal for all the family. The house has three good sized bedrooms, all featuring built in robes, and the main comes with an ensuite and walk through robe. The kitchen is of modern design and has plenty of cupboard space and quality fittings. There are cool ceramic tile floor coverings throughout and split system air conditioners to ensure you escape the heat and humidity all year round. There is a good sized under cover entertainment area out the back, ideal for relaxing on and entertaining. A double lock up garage provides safe parking for two vehicles. "Breezes" family friendly Bistro is within close proximity should you wish to have a break from cooking. References required.
