An oldie but a goodie

Built in the mid 1960's this renovated 3 bedroom residence would make the ideal family home.

The open plan lounge, dining and kitchen areas capture an abundance of natural light through the large windows.

Not to mention the absolutely striking water views over to Barilla Bay and Cambridge captured from the front sun deck.

The living space has a sophisticated decor and neutral palette, the well preserved Tas oak flooring is just another gorgeous feature of this property, add to this the lovely pair of French doors that lead out from the living space onto the generous sundeck providing an additional living area for those who love to entertain.

The spacious and functional kitchen has everything needed to cook up a storm with a dishwasher in place to wash it all up after.

The bathroom has also undergone a modern stylish makeover.

Outside the entertainer's deck leads onto a fully fenced grassed yard suitable for children and pets to play safely.

This property would ideally suit an investor with tenants already in place until May 2025.

Located in the picturesque suburb of Midway Point and only a short drive across the causeway to the centre of Sorell, offering a prompt and reliable bus service, Midway Point is only a short drive from the Hobart International Airport, Cambridge Park Home Maker Centre and a quick 20 minute drive to the Hobart CBD.
