## **Stunning New Build, Centrally Located**

This recently constructed, three bedroom home, sits proudly overlooking the picturesque township of Dover and offers glimpses of the water in the distance. The home has a striking street appeal and thanks to its elevated position, it commands your attention as you enter Chapel Lane.

Having been completed just this year, it provides all the modern comforts you would expect, double glazed windows, quality insulation, and high end finishes.

The absolutely stunning, matt black kitchen, sits in the heart of the home and is open to the living and dining. From here you can access the spacious, north facing deck which is ideal for entertaining when the weather is right.

There are three bedrooms, each with built-in robes, and one offers its own private entrance, making it a perfect office or even a consulting room for those who practice at home.

The land is ready for a keen gardener to get things started and there is plenty of open storage under house.

This property sits within comfortable walking distance of all of Dover's amenities and the pristine beaches that the area is celebrated for. It's perfect to make your forever home, but it's also worth considering if you're looking for an investment or short stay option. With additional tourist attractions planned for the far south of Tasmania, now is the time to secure your piece of this paradise.
