## **Family Living**

Offering an abundance of storage/workshop/studio options this beautifully landscaped property is one out of the box.

With 4 bedrooms, including master with walk in robe and stunning ensuite, 3 other bedrooms off a separate end of the house perfect for the growing family.

Massive indoor/outdoor room complete with ceiling fans, travertine floors and a wood fire. Gas ducted heating and split system air-conditioning are another great feature. Two separate driveways allow you to park several cars or boats, caravans, trailers etc securely behind the very impressive front gates.

The tropically inspired front garden has exposed aggregate, Boardwalk style decking and provision for extensive garden lighting and powered gates.
