Church Converted to House

Formerly St David's Presbyterian Church, this charming building has been converted into a residence.

Full of character, the home is a large open plan room with plenty of space for bedroom and living. Tongue and groove walls, french door and plenty of windows all add to the character of the property.

The bathroom features shower, toilet, basin as well as laundry tub and washing machine.

The kitchen has a brand new stove and plenty of bench and cupboard space.

The property is being sold furnished as photographed (excluding caravan and personal effects)

A brand new septic system has been installed and the property is connected to 2 x 5000 gallon rain water tanks.

The property is partly fenced with established gardens, shipping container for additional storage as well as a shaded outdoor area. Enjoy the peaceful surrounds with no neighbours on 2 sides.

Abercorn is the gateway to Wuruma Dam used for water sports and fishing. There is a primary school in Abercorn with all other shopping and amenities found in Monto (approx. 30 mins drive) or Eidsvold (approx. 20 mins drive).

Inspections are a must! View the virtual tour online or contact Louisa Bambling at Kellco Rural Agencies to arrange your private inspection today.
