AUCTION

This traditional home is beautifully presented with old-world charm and exudes character and charm in addition to space. The house, which is proudly positioned and has a porch, has been cherished and carefully looked after. ideal for families looking for roomy living, a sizable backyard, and a convenient location supported by a variety of necessary amenities. The house has a divided floor plan that maximises comfort and practicality on a daily basis and separates the bedrooms from the living spaces with a large hallway. The formal lounge, separate dining area, and retro-inspired central kitchen all serve to represent refined elegance and sophistication. There are 4 bedrooms, the master of which has an ensuite bathroom, as well as a separate laundry room and water closet. This house is perfect for families because it has a sizable, well-kept backyard. With classic, everything you need is right outside your door.
