Elevated and private, stunning views

Welcome to a home that exudes elegance and tranquility, tucked away in an elevated and private setting with breathtaking views. As you step into the spacious entry foyer, you'll immediately feel the peaceful ambience that defines the sophisticated residence.

At the heart of the home is an open plan living / dining area, capturing stunning views from the Brindabellas. Flowing seamlessly from here is an expansive kitchen and living space, where the surrounding garden landscape provides a pleasant outlook when preparing meals or hosting guests. Be spoilt for choice in entertaining options, with two private alfresco areas – one a timber deck, the other a charming pebbled courtyard with pergola – or simply enjoy a quiet night with a glass of wine amongst the idyllic backdrop of the beautifully landscaped gardens.

The home features five bedrooms, each with built in robe. The oversized master suite provides a luxurious retreat, with walk through robe, an ensuite with a large shower and a spa, and direct access to the courtyard. The family bathroom services the remaining four bedrooms, styled in a neutral colour palette with bath and shower, and a separate toilet with additional vanity.

With brand new carpet and fresh paint throughout, and fully landscaped gardens with established stone retaining walls, this home is ready for you to move in and enjoy. Call today to arrange your inspection and experience peaceful, elevated living with style and space to spare.
