Location that is hard to beat!

Central to major amenities yet quietly located, this renovated 3 bedroom home is a perfect entry point for those looking to establish themselves in one of the most popular and sought after pockets in Hoppers Crossing.

Immaculately presented featuring polished hardwood floors throughout, this home comes complete with a modern kitchen and stainless steel appliances, open dining space, a light filled lounge, updated central bathroom and under cover off street parking. Gas central heating, evaporative cooling and split system air conditioner provide year round comfort.

The large rear yard has side access and with no single dwelling covenant on title the opportunity to develop also presents a future financial reward (STCA).

Within minutes walking distance to St Peter Apostle Primary School, Heathdale Christian College, Pacific Werribee Shopping Centre and public transport.
