Guide \$620,000

Nestled on an elevated block, this delightful brick and tile home offers quality living spaces and breathtaking views of the Brokenback Mountain range. The residence features three spacious bedrooms, each with built-in wardrobes, and two well-appointed bathrooms. The expansive living areas include a cozy lounge room and a versatile space off the kitchen, perfect for dining and family gatherings. The downstairs garage provides ample storage and opens to a generous backyard. Enjoy outdoor living on the decked area, which overlooks a stunning inground pool and picturesque vistas. Currently tenanted (till November 2024) by residents who wish to stay, making it an excellent opportunity for investors. This home is an ideal buy in a highly sought-after location. Property Code: 2927
