Exquisitely presented and beautifully designed to embrace the harmony of open plan living and effortless indoor-outdoor entertaining, this tightly held home is a picture of perfection for the growing family. Tucked in a peaceful court, the home's layout greets you with quality floorboards that guide you into the formal lounge room before connecting through to a central formal dining room that's incredibly spacious and perfect for Christmas feasts. Continuing with the home's fluid design, the meals zone opens onto the kitchen that's detailed with a Kleenmaid gas stove, AEG oven, Bosch dishwasher, hidden microwave shelf, appliance cupboard plus a step-in pantry. Adding yet further appeal, the spacious family room is set before a combustion fireplace and extends out through sliding doors onto the split-level alfresco deck with both covered and open-air spaces along with a gas heated spa. Furthermore, the backyard is perfect for children and includes vegetable patches, while the ground floor of the home is completed by a large study, powder room and full-sized laundry. An open tread staircase carries you up to a delightful sitting zone and balcony, along with the four robed bedrooms, including the master bedroom with parent's retreat, retractable ceiling fan, walk-in-robe and ensuite. Further complemented by a family bathroom, separate toilet, ducted heating, split system air conditioning, ducted vacuum, LED downlights, garden shed, CCTV cameras plus a double garage with rear access point. Perfect for families, the home sits within walking distance to Wantirna Primary, Wantirna College, The Knox School, Templeton Reserve, Milpera Reserve, buses and Westfield Knox Shopping Centre, whilst close to EastLink.
