Drawing from the charm of its original heritage and merging it seamlessly with upgraded modern style, this endearing home presents a sublime opportunity for move-in ready living. Offering a large five bedroom layout perfect for growing families, no stone has been left unturned in the delivery of stylish perfection, and all just minutes from major amenities! Amongst a frontage of mature greenery, an immaculate, fenced street presence provides the warmest of welcomes before the home announces your entry with gorgeous timber flooring and a cool, contemporary palette. Ornate plasterwork gives a nod to the original heritage, flowing throughout a large living and dining set in airy open plan. Gorgeous herringbone tiling takes centre stage in the striking kitchen, flawlessly appointed to stand the test of time. Streamlined joinery runs the length of the flowing galley footprint, offering brilliant storage complemented by quality appliances, gourmet gas cooking and a large stone-topped island. Glass sliders flow out to a quaint alfresco deck, elevated to capture cooling breezes. Overlooking the fenced yard, it is the perfect spot to enjoy a meal or drink whilst watching children play in the fenced yard. Five bedrooms handle the requirements of larger families with four including built-in storage. The master has the inclusion of a gleaming ensuite, showing off floor to ceiling tiling and gold hardware. The main bathroom is equally impressive in a sophisticated fit-out. Additional features include a study nook with built-in desk, separate laundry, garden shed, solar electricity and double carport. Along with the benefits of a stylish renovation, the location will entice many! Sitting on a versatile corner block, you have amenities a short stroll away including Virginia State School, bus and rail. Walk down to the fabulous Flour and Chocolate for your morning coffee and treats whilst Westfield Chermside, the Brisbane Airport and even the CBD are easily at hand!
