744SQM FULLY FENCED FLAT BLOCK WITH LOWSET BRICK AND TILE HOME IN A PERFECT LOCATION! This low maintenance, well cared for family home is situated in a great location on an awesome, fully fenced and beautifully landscaped block of land. Offering secure direct internal access from the garage or via the front door, there is a large main living area and adjacent large kitchen with separate dining space at the front of this neat and tidy, well built home. The kitchen hosts an abundance of cupboards and benchspace and also features dual sinks, Bosch dishwasher, easy clean glass cooktop and stainless steel oven and range hood. Beyond the main living area the home provides a large linen press, massive separate laundry (with built-in cabinetry and direct external access via a handy ramp), and three good sized bedrooms. Two of these rooms offer large built-ins with the third providing direct access to a large, fully screened sun-room (approx 4mx4m) to capitalise on a perfect north-east aspect towards the back of the home! The home itself is serviced by a large toilet and separate bathroom - the latter featuring separate bath and shower facilities and a generously proportioned vanity cupboard and basin. There is a remote controlled single garage (which is large enough to drive in and open the doors without damaging the walls or car doors!) - and additional off-street parking within the secure front fence and gate. Of course there is side access with room for a pool out the back if you wish. There is a good sized (approx 3m x 4m) garden shed at the rear of the block to store bikes and gardening equipment!. Boasting a freshly restored roof and fresh carpets this well-maintained home is fitted with security and insect screens throughout and is ready for you to move in to make it your own - or rent out immediately to lucky tenants! Located in a quiet and peaceful neighbourhood this property is just a short drive away from local schools, shops, and amenities.
