\$289,000

Set behind a grey picket fence this fully rendered double brick home is sure to tick plenty of boxes offering low maintenance throughout. Upon entrance the home offers a lounge room with reverse cycle split system, recently installed combustion heater as well as polished timber flooring which flow throughout the entire home. A well-lit modern kitchen includes gas stove with an adjoining meals area, comforted by an additional split system a/c. Moving down the hallway; the home comprises of 3 bedrooms serviced by a renovated bathroom offering a shower & vanity, with the separate toilet and laundry nearby. Externally the elevated 785m² allotment offers secure fencing, single carport, 20x20 shed with an additional lean-to, as well as 5kw solar and rainwater plumbed to the laundry. A fantastic package with an affordable price tag well within walking distance of various amenities and schooling. RLA110
