All set to go! Move straight in this quality-built four-bedroom home and skip the prolonged wait times to build. Features a large back yard for the shed or pool with no rear neighbours but instead lush green and yet close to school and shopping. Set amongst quality homes in the street, the builder has done an exceptional job on this home. The quality finishes and the level of finish over all has to be admired and I would know I have built over 3000 homes! Get into your own home now! It's ready to go. No waiting.
