Celebrating life in incredible fashion, this stylish family home brings together all the elements required to live a happy life with the perfect fusion between inside and out and a brilliant home office for working from home. Set beyond remote control driveway gates, the home's rendered façade creates a modern tone that continues inside with a spacious living and dining room separated by a central partition and perfected with polished floorboards. The adjacent kitchen is stunning and showcases premium benches, 900mm Westinghouse oven, Highland stove, Bosch dishwasher, soft close drawers plus a bifold servery opening onto the alfresco deck. A second living room adds to the home's comfort and enjoys stacker sliding doors onto the alfresco deck where you'll be pleased to find a ceiling fan and overhead heaters with steps leading out to the backyard with cubby house. Accommodating the family are three robed bedrooms, including a master bedroom with walk-in-robe and double shower ensuite, further complemented by a stylish family bathroom, 2-way powder room and home office with split system air conditioning and its own external access point. Quality equipped with a Euro laundry, ducted heating/air conditioning, solar panels, video intercom entry plus a massive double garage with internal access and workshop space. Nestled in a family friendly location, close to Fairhills Primary, Fairhills High School, Westfield Knox, Mountain Gate Shopping Centre, buses, parkland plus the benefits of EastLink.
