A stylish celebration of family space on a commanding corner block, this supersized 4 bedroom, 2.5 bathroom home is an inspired illustration of additional living over two light-filled levels. Everything a family could possibly wish for is on full display! Discover a versatile formal lounge room, the air-conditioned comfort of roomy open-plan living and dining, and a vast kitchen showcasing an L-shaped island bench and high-quality appliances including a dishwasher. This chef-friendly workspace is further enhanced by a butler's pantry for seamless preparation and storage. Step outside to a sheltered alfresco underpinned by a low-maintenance garden and huge yard, a natural focal point for a growing family. Entertaining will become second nature with all this outdoor space at your disposal. Comprehensive features include an upstairs retreat or home office, a ground-floor powder room, large laundry, extensive heating/cooling, a remote-controlled double garage, and a convenient location close to parkland, bus transport, shopping and popular schools. Inspect to be impressed!
