A LUXURIOUS LIFESTYLE AWAITS

Why settle for ordinary when this architect-designed beauty invites you to experience a lifestyle filled with luxurious spaces, thoughtful details and an enviable flow for entertaining? Every morning starts with sunlight streaming through full-height windows, illuminating both architectural sophistication and timeless comfort.

This modern four-bedroom masterpiece is designed to the highest grade. An array of full-length glass and highlight windows capture the sun's warmth, while thoughtfully placed double-hung blinds in the dining area allow you to control light and privacy.

Its soaring ceilings give a grand sense of space along with timber oak look floors running throughout and high-quality carpet with plush underlay inviting you to sink into the comfort of each bedroom.

The home places the primary suite with a walk-in robe and ensuite at one end. The three additional bedrooms are surrounded by a secondary lounge room, providing the ideal setup for quiet family evenings or a cosy movie night.

The open-plan kitchen, dining and family area is a sophisticated gathering place, with a stylish wood fire nestled against a chic concrete hearth. The kitchen flaunts stone countertops and a generous walk-in pantry with ample space for all your essentials.

The home is designed for complete comfort – with ceiling fans, split systems throughout and double-glazed windows to keep every season in check. The spacious laundry room features built-in linen storage, while the well-planned study nook offers a dedicated space for productivity.

Outside, you're met with an oasis that boasts a fire pit perfect for nighttime stories and marshmallow roasts under the stars. In the morning, the pristine pool shimmers with a pool house close by. You'll also love the multipurpose shed that expands your space further, complete with a kitchenette, a stylish bathroom and a spare room or office, all perfectly accessible to make poolside gatherings effortless.

The home's exterior is graced by an impressive skillion roofline that provides shade and visual appeal to the outdoor spaces. The garden frames the backyard beautifully and attracts vibrant birds, with the primary suite and guest room overlooking this delightful scenery.

Located in a highly sought-after estate, just eight minutes from Bairnsdale CBD and close to top schools and Eastwood Shopping Centre, this home promises a fabulous lifestyle you'll surely treasure.
