41 Warrington Street comes into the market as a sensational family residence. The home has been built by a master builder with care and attention still evident in its outstanding quality finishings and construction style. The homestead has been designed with wonderful functionality at its core being a generous shed with a vehicle access point also adds to the appeal of this property. The home needs to be viewed to understand its appeal and presentation. Sitting on a land area of 1012 square meters the location to town including all amenities makes this property one to inspect. • Sensational family home in a brilliant location • Four-bedroom two-bathroom double brick and tile construction built with pride and detail to the attention. • Jarrah finishing throughout architraves. • Sitting on 1012 square meters of land large shed with vehicle access at the side of the home • Massive well-appointed kitchen leading into open-plan living space. • 2.7-meter-high ceilings throughout • Generous outdoor entertainment area leading into the bar area and games room space • Priced at offers from \$980,000.00 For further information please contact Paul Thomason 0429 110 700
