Overlooking Seven Mile Beach and neighbouring Broken Head Nature Reserve sits this magnificent, private home with 2 ocean view studios. The house captures the sandy beach as it stretches away to Lennox Head and the vast horizon of the Pacific Ocean. The home is set over two levels, amongst the green, lush setting of rainforest reserve. The master bedroom on the first floor has large windows to capture the moment the sun rises, with a generous en-suite. Outdoor covered patios flow in to the home, with a large dining area off the kitchen. One of only 4 properties on this unique 50 acre parcel of company-titled real estate. The property also features two self contained studio's with views. Approximate land area of lot 2: 12500.0 Square Metres
