Welcome to 42 Chellaston Street, where the charm of the 1940s meets the ease of modern living. Nestled on a generous 759m² block, this home has been lovingly updated to provide a perfect blend of character and modern comfort. As you step through the door, you'll find a spacious interior that includes three well-sized bedrooms and three contemporary bathrooms, offering plenty of space for family and guests. The open plan living and dining area is perfect for both entertaining and everyday living, with plenty of natural light filling the space. The kitchen is a chef's delight, featuring quality stainless steel appliances, a gas cooktop, stone bench tops, and practical lighting. It's a space that's both functional and inviting. The outdoor area is just as appealing, with manicured gardens leading to a games room and storage with the advantage of a washroom, at the rear of the block. Whether you're enjoying the view from this area or from the main house, comfort is guaranteed with split systems providing year-round temperature control.
