Combining classic character elements with modern appointments, this smartly designed home is a sanctuary for the modern family. This home is framed by established gardens and is immaculately kept. Entering at the top level you are welcomed by polished timber flooring and contrasting neutral tones. The open plan living and dining area captures an abundance of natural light and is the perfect place to come together. A luxe kitchen forms the heart of this home with Smeg appliances, 40mm Caesarstone benchtops, 900mm gas cooktop and butler's pantry. Full length bi-fold doors allow refreshing breezes inside and create a seamless outdoor transition. The covered deck surveys the glittering in-ground pool beyond is an inviting place for relaxing year round. Enjoy an alfresco meal with friends and family while the children play in the yard or take a swim. Your master bedroom is a beautiful retreat inclusive of a large built-in robe and serviced by a full bathroom. An additional two bedrooms also feature built-in robes and are steps away from a secondary bathroom with a shower over bath. This home is situated in an enviable Camp Hill location close to prestigious schools, Westfield Carindale, parks, playgrounds and excellent public transport options.
