Beautiful Family Home In A Great Location

Andrew Rose of LJ Hooker is delighted to present this exceptional family home, offering a flexible floorplan and a host of desirable features. Situated on a spacious lot with a wide frontage, this property boasts ample off-street parking and a beautifully landscaped, low-maintenance garden.

The home offers four generously sized bedrooms, with the master suite located at the front, featuring an ensuite and built-in robe. The additional three bedrooms are equally spacious and also include built-in robes. The formal lounge, overlooking the front yard, provides a serene retreat, while the dining room could serve as a fifth bedroom, study, or whatever suits your family's needs.

The heart of the home is the updated kitchen, complete with a walk-in pantry, freestanding oven and cooktop, abundant bench space, and ample cabinetry. This well-appointed kitchen flows seamlessly into both the formal dining area and the second living area, which includes a casual meals space and family room. The home is equipped with heating and cooling throughout, ensuring year-round comfort.

Step outside to the expansive pergola area, ideal for entertaining family and friends. The backyard offers plenty of room for kids and pets to play, with lush lawn and established gardens providing a peaceful outdoor oasis.

With two separate driveways; ½ one leading to a single garage with a roller door, and the other providing direct access to a garage or workshop; ½ there is ample space for storing work items, a boat, jet ski, or for creating a games/rumpus room.
