LARGE FAMILY HOME WITH GRANNY FLAT

What a lovely home to be bringing to the market. The current owners have given this mid 1990's built home a lease of new life, from the modern flooring to the downlights in the ceiling and everything in between. Plus the converted double garage offers separated living quarters for the extended family or teenagers. Let's wander on through:

WHAT ARE THE PROPERTY'S SPECIAL FEATURES?

- Large 784m² level block of land with the benefits of a corner position
- A generous 239m² home under roof with four huge bedrooms, 2 bathrooms
- Positioned near the end of a quiet cul-de-sac, just one more rooftop to parkland
- Fully fenced to retain the pets with a large grassy yard for the kids to play
- Modernised internally, offering multiple living areas and separate granny flat

INTERNAL INVENTORY

- The modern timber flooring brings a rustic and calming ambiance to the living areas
- The large living room boasts a unique feature wall backdrop
- There's ample space to entertain with two spacious dining areas
- The galley style kitchen is a chef's delight starting with a 900mm gas cooktop, long preparation benches, loads of storage, dishwasher and features lit cabinetry
- A/c living room opens onto an undercover entertainment area
- There's four huge bedrooms separated from the living quarters of the house
- Master bedroom comfortably accommodates a king size bed with side tables
- The ensuite bathroom is spacious and features a large vanity with glass basin

WHAT ELSE DO I NEED TO KNOW?

- This home is currently owner occupied and lovingly cared for
- The double garage has been converted into a comfortable living room and bedroom
- The bedroom end of the home would benefit from freshly painted walls
- Family amenities are close by, including schools, grocery stores and medical services

This home has so many features that you must walk through to appreciate them all. It's certainly a must see for larger families, extended family living arrangements and those looking for a home where most of the hard work has been done. Call Jay for more information or attend an upcoming open home.
