Type: House

Solid Family Home, Situated in A Superb Locale.

Introducing this exceptional custom-built brick home, now available for the first time. Secured by brick fencing and surrounded by mature trees, this residence embodies solidity and quality in its construction. The spacious floor plan features remarkable room sizes, offering ample space to customize and modernize according to your preferences. On the ground floor, discover a comfortable bedroom with a built-in robe, accompanied by a fully appointed bathroom. The living area flows effortlessly into a formal dining space, leading to an open-plan kitchen equipped with modern conveniences. A generously sized laundry offers convenient external access, while an undercover outdoor entertaining area provides an additional space for gatherings. Outside, the low-maintenance yards feature a thriving veggie patch, second kitchen with undercover area for all year round entertaining and alongside a vast double garage offering internal access.

Ascend the inviting timber staircase to the first floor, where a cozy retreat area welcomes you. Three bedrooms, each boasting built-in robes, await, alongside another fully appointed bathroom complete with a spa bath. The retreat area offers a relaxed ambiance with its kitchenette bar, perfect for unwinding.

Enhancements throughout the home include electric security blinds, split air-conditioning units on both floors, and a central heating system. Ample storage solutions can be found both inside and outside, while two balconies offer serene spots for relaxation.

Situated in the coveted suburb of Kings Park, this property enjoys proximity to an array of amenities. Schools, parks, shopping centres, and public transport options are all within easy reach, facilitating a convenient lifestyle. With swift access to major highways and public transport routes, commuting to the city is hassle-free.
