Peaceful, private and perfectly located in the historic town of Westbury, you will delight in this distinguished residence. Chesterfield oozes charm and character and is reminiscent of an English country estate. Ideally developed into the ultimate equine property on 2.034 hectares (5 acres), there is approval in place for 3 separate titles - the residence on one and two further to use or sell at a later stage if desired. Surrounded by park-like settings and encapsulated by mature oak trees and established gardens, the home enjoys a light-filled entertainer's kitchen, a formal dining space that leads onto a north-facing deck, perfect for those peaceful summer nights with family and friends. The stately lounge is captivating and enjoys all-day sun and picturesque garden views. All 3 bedrooms have built-in storage, and a 2-way bathroom wraps up this stunning home. With updated PVC double glazed windows and a massive powered workshop/garage for all of your vehicle storage or perhaps the tradesperson to work from home. Chesterfield - a love story! Make it your forever home today. Call Craig and Deb, the Spouses Selling Houses team, at Nest Property for your private viewing now.
