\$425,000

Nestled in the heart of town, this property offers unparalleled convenience and modern comfort. Every detail has been meticulously attended to, featuring a brand-new roof, updated electrical systems, new stumping, revamped plumbing, and fresh cladding. The spacious living area seamlessly connects to the kitchen's serving area, creating an inviting space for gatherings and daily living. Boasting two generously sized bedrooms, this home also includes an additional large living space that can effortlessly be transformed into a third bedroom. The concrete driveway runs along the side of the house, providing ample parking for multiple vehicles. Don't miss the opportunity to make this beautifully renovated property your new home.
