## **LOW MAINTENANCE FAMILY HOME**

This low maintenance brick & tile home has been tastefully renovated throughout and is situated on approximately 830m<sup>2</sup> level allotment.

The home consists of 3 generously sized bedrooms (all with built-in robes) with an option of a 4th bedroom or home office.

Main bathroom with a bath, shower, vanity and separate toilet close by for convenience.

North facing living room captures plenty of natural light providing warmth throughout the home. Second living or sunroom also available.

Centrally located modern kitchen is installed with quality stainless steel appliances and offers an abundance of storage options.

Separate dining room flows through to the undercover alfresco area.

Single car garage and carport. Secure backyard for the young family members and pets.

Close proximity to school and public transport.
