Luxurious Family Home

Beautifully designed and finished, this 2005 Broadway Homes built property could be the dream layout that you have been searching for! Incredibly well finished throughout and set in the beach side neighbourhood of Seascapes, this luxury home is sure to tick all the boxes!

The heart of this amazing home is the large open plan living room with kitchen, dining and family areas. The kitchen is sure to impress your family's Master Chef with plenty of bench and cupboard space with modern appliances. This open plan family room features stunning 34 course ceilings and great views out to the alfresco area and back yard.

Separate to the main living area is a theatre room that closes off to the rest of the house, and all four bedrooms are fantastic in size. The king-sized primary bedroom with large ensuite is lovely, but bedrooms two, three and four built around the activity/games room is a particular stand out feature and will really impress buyers with growing families. The laundry and bathrooms continue the theme of quality fittings and the home features plenty of storage space and linen cupboards.

Step outside and you'll find an amazing alfresco area that will be in use all year around, low maintenance gardens with reticulation, a large powered workshop (5.87m-L x 3.59m-W x 2.7m-H) with gabled roofline and even a paved hardstand - ideal for a caravan or a boat.
