Offers Around \$200,000

Opportunity to purchase a 3 bedroom air conditioned home in Nebo at the centre of the Bowen Basin Mining Operations and only 1 hour's drive from the coastal town of Mackay. Currently an investment property rented at \$250 per week but could suit either investors or owner occupiers. The 1000m² allotment leaves room for the big shed out the back and the township offered a very friendly family atmosphere with Primary School, Shops and Parks and the popular Showgrounds catering for events from Rodeos to all forms of Equestrian.
