So close to the central business district and fabulous foreshore of Geraldton this home is spacious and light and has plenty of undercover parking for the vehicles. Look out to the Moresby Ranges from the front verandah then step inside the entrance where you have a beautiful stone wall and fireplace that extends to the full height of the home and is a stunning feature of the open plan living area. Opening off the living area is a games room or extra large fourth bedroom. The kitchen has timber cupboards and plenty of bench space. The bathroom has been recently renovated. Bedrooms 1, 2 and 3 are all a good size and the main bedroom has a wall of built in robes. To the East side of the home there is a carport with its own drive and to the West side a concrete drive travels past the house to a carport and behind that is a large storage shed. The home is airconditioned for year round comfort. Call Marlene Chaushs for further details on 0418 471 139.
