## **Family entertainer.**

Stylishly appointed and set for summer fun, this poolside entertainer is certain to capture the attention of families dreaming of a resort-style lifestyle with dual living zones and the convenience of easy service road access.

Secured beyond a gated entry, the home's contemporary characteristics start from the moment you arrive with a stacked stone water feature sitting beside the front door, while inside a sunken formal lounge room relishes the allure of northerly sunlight.

Placed in the center of the home, the kitchen and meals zone showcase stone benches, Fisher & Paykel oven and gas stove, LG dishwasher and soft close drawers, while an adjacent dining zone could alternatively be used as a study area.

Bifold doors connect through to the family room with the added benefits of a servery opening to the kitchen and sliding door access to the backyard where you'll find an alfresco zone, lawn area and inground pool and spa.

Serving the family's accommodation needs, the three robed bedrooms include a master bedroom with walk-in-robe and twin vanity ensuite, further complemented by a family bathroom, separate toilet and laundry.

A haven of comfort that's packed with extras, such as ducted heating, evaporative cooling, video intercom, security cameras, alarm, water tank, garden shed plus a 2-car garage and auto driveway gates.

Conveniently situated near Bayswater West Primary, Heathmont College, Wantirna Mall, Knox Private Hospital, Bayswater Village, Westfield Knox, Eastland Shopping Centre, buses, Bayswater Station and EastLink.
