This is a cracking house! It's deceptive, featuring a large gourmet kitchen and huge dining area for entertaining it's a virtual blank canvas waiting for you to bring your personal touches and take it to that next level. All rooms have ceiling fans and split system air-conditioning the family bathroom is fully renovated along with the ample sized laundry. It's solid and well maintained so the "have to do jobs" are minimal. The living space is an open plan but it comes a sunken lounge room with privacy wall. Very nice additions include PV solar, solar HWS, 2 garden sheds, undercover entertaining, a fire pit area and a great sized yard for the kids! - 3 good size bedrooms - Renovated kitchen including dishwasher and pantry - Renovated bathroom & laundry - Split system air-conditioning & ceiling fans - Modern flooring - Great area for the kids to play - Covered entertaining area - Fire pit - PV solar - Awesome 887m² block - Split system air-conditioning This is fantastic buying, a nice home, great location, great value, call Drew or Toni today 0458 749 469.
