Quiet & Private in a semi-rural location

Nestled near the end of a quiet, no through road, this wonderful family home offers privacy and serenity. It's an ideal retreat for those who appreciate space whether for tools, cars, or outdoor toys and a haven for kids who love to explore the outdoors. Enjoy peaceful moments on the deck with a cuppa and a good book. The home features three generously sized bedrooms and a bright, sunny open plan lounge, family, and meals area that extends to a spacious outdoor deck. Soak up the Yarra Valley views, breathe in the fresh air, and relish the feeling of living with open farmland and nature around you. This unique home includes ample off street parking, expansive workspaces, and the flexibility to add a fourth bedroom or home office if needed. Just a short drive to the shops & schools at Woori Yallock, and great access to local walks and rail trail.
