This charming 3 bedroom, 1 bathroom lowset property has been a much loved, well maintained family home for many years and it is now on offer for the buyer who is seeking an opportunity to renovate and profit or simply invest in a prime location. With a little flair and cosmetic work, you will transform this property into a stylish, modern residence. The solid brick facade and surrounding lush gardens create a lovely entry and when you step inside you will be delighted to find a spacious floorplan that incorporates light filled open living and dining and a large kitchen that is positioned to offer subtle separation between the rooms and is well equipped with generous storage and electric appliances. The property offers 3 comfortable built in bedrooms including master bedroom with air conditioning and all fitted with ceilings fans for comfort and the home is serviced by a family bathroom with separate shower and bathtub. Outside you will discover a large covered patio that is ideal for entertaining and the in-ground pool is the perfect addition to the space. The fully fenced yard also ensures plenty of room for children to play and the area is dotted with easy care lawns and native shrubs and plants to offer privacy. Situated in a beautiful leafy street within walking distance to prestigious John Paul College, local shops and transport on a generous 748 sqm block. This home really represents a great opportunity!
