Offers Over \$850,000

A step back in time, brimming with retro features that have been preserved with care. This fantastic family home has been loved and cared for by the one family since the mid 60's - when things were built to last. A generous parcel of land of 680m², well kept and maintained. A great floor plan, with a huge formal lounge as you enter, adorned with retro pendant lighting, great condition wall paper, and filled with natural light. The kitchen is a special place to gather, and the kitchen will not disappoint. Spacious and functional with island bench cooking, breakfast table and ample cupboards. The kitchen is the hub of the home, adjoining dining and family rooms, both with glass sliding doors to the garden, and a servery to the family room. With 4 bedrooms, a family bathroom, 3 living areas, large laundry and a great size block, this is a great place to bring up a young family. Ample car accommodation, with a remote garage at the front, and garage plus huge workshop to the rear, with ample side access, allowing plenty of room for van or boat. A great property for the families having multi-vehicles, or requiring space to run a home business. This home could easily be transformed to suit your taste, with cosmetic upgrades and modern conveniences all that would be required. Then again, the current retro features are in vogue, and could be retained to keep the vibe. Located on the Birkdale side of Alexandra Hills, near to Moreton Bay areas of Cleveland and Wellington Point. Easy access to local Shopping Centres, schools and parklands. A great area to bring up your young family. This much loved family home, is solid, functional, and well maintained. Enter the market at 46 Allenby Road Alexandra Hills and reap the rewards that will come your way.
