Renovated Home only steps from McLeans Beach

This beautifully renovated home on an 841 sqm block is just a short walk from McLeans Beach, local parks, and the CBD. The extensive updates include a sleek, modern kitchen and bathroom, energy-efficient LED lighting throughout, a split system in the main living area, ducted evaporative air conditioning, and a cozy slow-combustion heater. Outdoors, the property features a powered 9m x 3m shed with automatic roller doors, a secure backyard, and the added convenience of a second toilet off the outside laundry
