Finishing touches happening as we speak on this rare 5-bedroom x 2-bathroom renovated family home on family sized block in redeeming Parkside location. You'll love coming home to Bankhurst Way Greenwood where the streetscape of the 1970's architecture is in stark contrast to the soft neutral internal palette that this home exudes. Crisp white walls merge effortlessly with the hybrid flooring, but it is the state-of-the-art kitchen which steals the show here! With internal photos and inspections set to be uploaded/provided shortly, reach out NOW to ensure you are one of the first to see this gorgeous coastal home! Stand out features include:
