Stunning Family Home with Sparkling Pool & Modern Entertaining Spaces

This spacious and light-filled 3-bedroom residence offers the perfect blend of comfort and luxury. Situated on a generous block, this property boasts a newly installed patio that overlooks a dazzling inground swimming pool, providing an ideal setting for relaxation and entertainment.

Key Features:

- Enjoy abundant natural light throughout this thoughtfully designed home, creating an inviting and warm atmosphere.
- Newly Installed Patio: Perfect for outdoor dining and lounging, the patio offers sweeping views of the sparkling pool, making it a standout feature for hosting gatherings and family events.
- Sparkling Inground Swimming Pool: Dive into your private oasis with a pristine swimming pool that promises endless fun and relaxation.
- Downstairs Entertaining Area: The expansive downstairs space is designed for both casual and formal entertaining, featuring ample room for guests and family activities.
- Additional Rumpus Room: An extra downstairs rumpus room provides versatile options for a home theater, playroom, or additional living space.
- Convenient Downstairs Bathroom: A well-placed bathroom on the lower level adds convenience for guests and family members enjoying the entertaining areas.
- Positioned on a sizable lot, this home offers plenty of outdoor space for children to play, gardening, or simply enjoying the tranquility of your surroundings.
- 5 k/W Solar system
- Two functional bathrooms
